A Learner Evaluation Form is distributed to all participants at the end of the final session (Day 3 for multi-day programmes, or at the close of standalone sessions). Completion is strongly encouraged but voluntary.

10.3 How Feedback is Used

- Aggregated results are reviewed by the Course Director following each cohort.
- Findings inform the Course Content Review process and the Facilitator Review Note.
- Summary results may be shared with The CPD Group as evidence of quality assurance.
- Individual responses are treated as confidential and will not be attributed to named participants in any reporting.
